III. Compliance Monitoring Visits

A. State of Hawaii 2013 Compliance Report

John Paekukui reviewed the State Hawaii 2013 Compliance Report and asked for the committee to approve. On page 2, 14 facilities met the removal exception for the juvenile lockup. On page 3, violation checks include 1 adult lockup on Oahu, where the juvenile for status offense was held in secure custody. The sergeant was not familiar with the fed regulation at the location; provided training. On page 4, out of state runways; the youth from the mainland picked up as status offense. This is not a violation because the youth is from a compact state. On page 5,

0 violations. Completed training with Kapolei Police Station because of the 2 violations. Attachment 3 explains the violations and what did to prevent future violations. Attachment 5 reflects the minor possession, which is no longer a violation as of 2010. However, required to report the minor possession numbers, as well as any handgun violations separately.

Chair asked for a motion to approve the State of Hawaii 2013 Compliance Report. Lt. Everett Ferreira made a motion to approve the State of Hawaii 2013 Compliance Report, seconded by Lt. Saiki, and the motion was passed unanimously.

B. Civics First Solicitation - Reference Connecticut Police Training

Ed Chargualaf discussed the technical assistance and training opportunity. The Chiefs to submit commitment letters confirming number of personnel. To date, Maui is the only county committed. Chair recommended letter from David Hipp to the Chiefs to request commitment, personnel numbers and specify the length of the trainings. Action: Chargualaf to draft commitment letter from Hipp and Chair to meet the June 30 deadline.

C. Sheriff's Training

1. PREA -

Paekukui sent letter to Sean Tsuha regarding the "Rural Exemption" training for sheriffs; pending response. Chargualaf noted sheriff training is regarding the juvenile policies per the Governor's letter dated May 15 commitment to work on the juvenile PREA. Lt. Saiki stated completed PREA training.

D. Ho`opono Mamo

Chargualaf gave a Civil Citation Initiative update, contracting the C & C of Honolulu to implement the Ho`opono Mamo Assessment Center at Susannah Wesley, the healing for forgiveness center in Waianae (take youth out of the community) and community conferencing with Epic Ohana. Effective May 1 and a 2 year contract for \$1,125,000 from state general funds. The other assessment center is in Hilo which collaborated with Family Court, police department and child welfare; police officers can drop of kids at the assessment center for handling.

E. Juvenile Justice Center Site Visit

Chargualaf gave a Juvenile Justice Center update and site visit to follow.

V. County Reports

A. Honolulu County - Sergeant Barry Tong

Sgt. Tong reported after meeting with Jaque Kelley-Uyeoka of Hale Kipa and the coordination of Chargualaf and Kaleve Tufono-Iosefa of OYS with the Micronesian representatives has seen a decrease in the Micronesian numbers. Tufono-Iosefa also noted a decrease of Micronesians at HYCF.

Sgt. Tong reported the Wahiawa Station issue with compliance was due to renovations to secure facility because of 911. Wahiawa Station's front desk is now completely secured; locks were installed on all doors into and out of the desk area. Staff will address issue to have one door's lock adjusted so that entry and exit of the desk area is unsecured.

Problems on the west side are due to the parents not caring about the runaways. Chargualaf reminded can take youth to Hale Kipa under the OYS contract. However, it is a staffing issue for other districts, especially from Ewa Beach.

B. Sheriff - Lieutenant Gary Saiki, Kauai County Sheriff Commander

Lt. Saiki reported the numbers are down and a slow year; only 1 bench warrant. Lt. Saiki will call other counties to inquire of numbers. Informed the youth in Honolulu are not held by the sheriffs, but taken directly to the Detention Home.

C. Maui County - Lieutenant Everett Ferreira

Lt. Ferreira reported the MPD Chief is leaving for position in Oahu. Also noted Viki Roemmling and Alison attended the National JDAI Conference to conduct a MPD POI presentation. An investigator and SRO are promoted, so now have 7 SROs and 4 investigators. The Kihei Station will soon be able to process juveniles. Hipp and Representative Mele Carroll will visit tomorrow.

D. Judiciary - Marsha Yamada

Marsha Yamada reported the juvenile justice reform HB 2490 is big on the circuits to have a statewide system; to date only 1 standardized form. Also no misdemeanors to HYCF, but report to Family Court; only if youth is a public safety by the judge then goes to HYCF. Probation must do 24 hours home visit in pairs and nonemployee cars even with the heavy paperwork.

Family court to have a meeting with the police department to do a true diversion program; the police report will not be filed. Working on list of offenses, pending if qualifies for the diversion program.

The Detention facility is up, 42 yesterday, but down today; used only for serious offenses and some can move because of probation violations. The flights continue to be difficult and paying overtime for sheriffs to accompany youth.

VI. Announcements

1. Chargualaf reported attending OJJDP Compliance Training on June 17-18 in Washington, D.C. along with Hipp and Paekukui. Also meeting Hawaii Program Manager, Karen Bachar the day prior to address classification issues of Kauai, the Big Island and the Rural Exception Rule. The CJJ 2014 Annual Conference to follow on June 18-21 and the primary purpose are to meet with the Hawaii Congressional Members to solicit juvenile justice appropriation support.

VII. Next Meeting

Tentative Thursday, September 4, 2014

X. Adjournment

Yamada made a motion to adjourn the meeting, and seconded by Lt. Saiki. There being no further discussion, the meeting was adjourned at 11:25 a.m.
