(10:15)
C. Matsuoka
• Casey’s Juvenile Justice Strategy Group changed their grant eligibility and anybody on the site can apply for the grants, it is not only for judiciary

(10:17)
R. Cooper
• I and our office staff have done their trainings in person and we make it mandatory for new staff.
  o All POs are asked to create an account
    ➢ They are asked to review new trainings offered or listen to webinars at least once every other month
  o Offered refreshers for on-going probation officers
  o They learn a lot and it helps put things into perspective for new PO

(10:20)
B. Oprish
• We have not been able to chip away at disparities and disproportionality
• Casey did a COVID Data Survey, and it showed disparities for Youth of Color
  o 2016 Persistence of Racial and Ethnic Disparities
    ➢ Detention admission rates have declined for white and youth of color
    ➢ However, rates have declined more for white youth than youth of color
    ➢ Now youth of color are three times as likely as white youth to be admitted to detention, up from 2.6 at baseline
    ➢ We are still seeing these disparities when we did the COVID surveys.

(10:27)
C. Matsuoka
• We recently did a training for new judges and per diem judges.
  o Part of the session was a hybrid taken from Valarie Thompson training on “Getting to Equity”
  o Santa Cruz County is a model site recognized by Casey
  o This training can be done for JJSAC as well

(10:28)
D. Ulima
• We need to take a deeper dive into our disparities
• The national data is a great, but we find we must translate a lot of the information to be more meaningful to the disparities in Hawaii
• We can discuss having a training at the next JJSAC meeting

### VII. New Business
- **ACT 220**
  - Amendment to Sunshine Law
- **Membership**
  - OJJDP Requirements for Seats
- **Youth Corner and Bi-Annual Youth Corner Training**

(10:34) D. Ulima
- OYS will provide an update on amendments to the Sunshine Law

(10:35) N. Machida
- Senate Bill 1034, S.D. 1, H.D. 2, C.D. 1, relating to Sunshine Law Boards, was passed by the Legislature on April 27, 2021, and signed into law as Act 220 by Governor David Ige on July 6, 2021. This landmark legislation amended Hawaii’s Sunshine Law, effective January 1, 2022, to allow public meetings to be remotely conducted while still requiring at least one in-person meeting location for those unable or unwilling to participate online.
• Held over internet using “interactive conference technology” (ICT), such as Zoom or WebEx
• Members of the board or public can participate online from their own homes, offices, or other private locations and need not show up at a physical location
• But board must offer at least one public physical location for people without the skills, equipment, internet service, or desire to participate online
• ICT must allow audio--visual interaction between members and public
• Quorum of board must be visible and audible during meeting
• Announce names of all participating board members at start of meeting
• All votes by roll call, unless unanimous
• Record meeting “when practicable” and post recording online until minutes are posted

• 30-minute time limit to restore, or meeting is automatically terminated
• Must notify the public how to rejoin or how meeting will be continued
• If cannot restore audio-video, can continue audio-only with conditions
• Practical tips to include in notice

| 10:41 | S. Ahu | We have 18 members, 5 of which have missed more than 4 meetings and it is affecting quorum.  
  \- We have a legislature seat to replace Cedric Gates  
  \- If we have any more youth jump off, we will be out of compliance  
  \- Judge Acoba retired, and his seat is open |
| 10:45 | C. Matsuoka | Jesse Hall is the lead judge for juveniles in Honolulu |
| 10:46 | S. Ahu | We also encourage JJSAC members to participate in a subcommittee and encourage partners who join in these meetings to apply for JJSAC  
  \- We are happy to provide more information on the process and follow-up with Boards & Commission until they give us the go ahead on your membership |
| 10:47 | V. Ramos | If there was an opportunity to meet in person, I would be interested in coming to Honolulu to attend via Zoom. |

Contact Judge Jesse Hall about JJSAC

S. Ahu
Meeting in person has a different vibe
- It may attract more people to attend
- Is this a possibility?

(10:48)
L. Gillespie
- The answer may be a yes, but it would depend on how many people, as we are still under mask mandates and social distancing and must be in line with DHS home policy.
  - Will check if DHS foresees any changes in the near future and will advise.

(10:54)
D. Ulima
Youth Corner and Bi-Annual Youth Corner Training
- Noy Worachit is the Chair of the Youth Committee and is training in Missouri for 4 months.
  - She will try to attend meetings if her schedule allows
- The Youth Committee would like to start something new to be implemented within the JJSAC meeting
  - Highlight a youth involved in juvenile justice work
  - Share a video on something inspirational
  - Bi-annual trainings led by youth-on-youth adult partnership, youth engagement, trauma informed care, adolescent brain and other important things that help them make decisions about their lives

Check with DHS if they foresee any changes to the current policy on meeting in person for the JJSAC in Kamamalu Bldg

L. Gillespie
• We would like to develop a “Youth Corner” to highlight youth and have them share their story as a reminder of the importance for the work that is being done.

VIII. Sub-Committee Reports & Update on 3-Year Plan Goals
A. Executive Committee
B. Compliance Standing Committee
C. Ethnic & Cultural Diversity Committee
D. Prevention & Accountability (P&A) Committee
E. Youth Committee

(10:57)
J. Paekukui
Compliance Committee
• For the past reporting FY20-21, we are in compliance.
• For this reporting period FY21-22, we have 2 violations.
  o The first violation occurred when HPD took a youth to the hospital and brought him back and placed him secure detention. This violated the 6-hour time limit, because the clock did not stop when the youth was taken to the hospital because they returned him to secure detention.
  o The second violation occurred at family court because the juvenile was held longer than 24 hours.

(10:59)
V. Ramos
Prevention & Accountability Committee
• We did not establish quorum at our last meeting but had an informational meeting
  o We had a member from the Big Island, Wally Lau, that stepped down
We are hoping to find someone to represent this county
• We completed a list of stakeholders by county, but do not have this for the Big Island
• Looking at data provided by OYS by County and reviewing for recommendations to JJSAC

(11:04)
D. Ulima
Youth Committee Updates
• The Youth Committee is continuing to meet once a month
  o They developed and launched an on-line application and are actively recruiting members
• We participated in the OJJDP conference and joined a youth engagement workshop
  o Great to meet other youth and learn what they are doing
• They had a presentation by Adult Friends for Youth and interested in setting up another presentation and invite Josie Howard from, We Are Oceania
• Waiting on response and confirmation if youth rights are posted at HYCF
• They need to vote for a Vice-Chair
• Proposed a Youth Corner for JJSAC meetings
• Reaching out to more young people to join and speaking with Kinai ‘Eha & HYCF for youth who may be interested in joining

- The JJSAC is supported by Title II Formula Grant funds.
  - We have so many years to spend it.
    - We are currently using the funds from 2018 and have not touched 2019 and 2020 budget
    - Normally $20K is allotted to JJSAC

- For this DC Conference we could have 5 JJSAC members attend
  - In the past we were only able to take 2-3 members
    - We are being conservative as we have other conferences, we would like to have JJSAC members attend
    - CJJ RED Conference and SRAD Conference

- Will reach out to our new federal grant’s manager about non-JJSAC members attending
  - In the past the manager would only allow JJSAC members to attend
