

## **Before Starting the Project Listings for the CoC Priority Listing**

The FY2015 CoC Consolidated Application requires 2 submissions. Both this Project Priority Listing AND the CoC Consolidated Application MUST be submitted.

The FY 2015 CoC Priority Listing contains the following forms:

1. Reallocation Forms
2. Project Listings
  - a. New Project Listing – will list the new project applications created through Reallocation and the Permanent Housing Bonus that have been approved and ranked or rejected by the CoC.
  - b. Renewal Project Listing – will list all of the eligible renewal project applications that have been approved and ranked or rejected by the CoC.
  - c. UFA Costs Project Listing – applicable and only visible for those 4 Collaborative Applicants that were designated as a Unified Funding Agency (UFA) during the FY 2015 CoC Program Registration process. Only 1 UFA Costs project application is permitted.
  - d. CoC Planning Project Listing – will list the CoC planning project application submitted by the Collaborative Applicant. Only 1 CoC Planning project per CoC is permitted.
3. Attachments:
  - a. Final HUD-approved GIW
  - b. HUD-2991 – Certification of Consistency with the Consolidated Plan

### Things to Remember

- The Priority Listing ranks the projects in order of priority all new project applications created through Reallocation and the Permanent Housing Bonus as well as renewal project applications and identifies any project applications rejected by the CoC.
- Collaborative Applicants are strongly encouraged to list all project applications on the FY2015 CoC Ranking Tool located on the HUD Exchange to ensure a ranking number is used only once. The FY 2015 CoC Ranking Tool will assist the Collaborative Applicant during the ranking process among the four Project Listings.
- Any project applications rejected by the Collaborative Applicant must select the reason for rejection.
- Collaborative Applicants should notify all project applicants no later than 15 days before the application deadline regarding whether their project applications will be included as part of the CoC Priority Listing submission.
- If the Collaborative Applicant needs to amend a project for any reason after ranking has been completed, the ranking of other projects will not be affected; however, the Collaborative Applicant must be sure to rank the amended project once it is returned to the CoC Project Listing and verify that the rank number assigned has not been assigned to another project on a different Project Listing.

Only 1 CoC Planning project can be ranked on the CoC Planning Project Listing.

Only 1 UFA cost project can be ranked on the UFA Cost Project Listing.

Bridging the Gap is requesting funding for planning purposes and to further implement a coordinated entry and housing placement system for the CoC. Our CoC consists of three counties separated by the Pacific Ocean, and therefore our model for Coordinated Entry reflects the distinct needs and resources available in our three chapters. Funding will go to the Collaborative Applicant (CA) and will be granted via sub-grant agreements to the Counties of Hawaii, Kauai and Maui, for their role in convening case conferences held to leverage local, state, and federal resources for housing placement and support services
