(b) Utility allowances shall be calculated by determining the utility rate then multiplying it by the applicable quantity allowance. A schedule of applicable quantity allowances for lighting, electric domestic hot water heaters, miscellaneous electrical, gas domestic hot water heaters shall be developed annually and shall take into account relevant factors affecting consumption requirements, including:

- (1) The equipment and functions intended to be covered by the allowance for which the utility will be used;
- (2) The size of the dwelling units and the number of occupants per dwelling unit;
- (3) Type of construction and design of the housing project;
- (4) The energy efficiency of authority-supplied appliances and equipment;
- (5) The utility consumption requirements of appliances and equipment whose reasonable consumption is intended to be covered by the total tenant payment; and
- (6) Temperature of domestic hot water.

(c) The authority shall conduct a review of utility rates in January of each year as required by 24 C.F.R. §965.507 as it existed on March 28, 2013.

Electric and gas rate schedules for all providers shall be collected and reviewed for each month from the preceding January through December of the calendar year prior to the fiscal year beginning July 1. These monthly rates shall be averaged over the year period.

(d) The new utility allowances shall be posted and noticed to tenants at least sixty days prior to the implementation date, during which time tenants shall have the opportunity to present written or oral comments. The applicable schedules shall be publicly posted in a conspicuous manner at the authority's project offices and shall be furnished upon request. The implementation date for new allowances shall be July 1.

(e) Implementation of all new allowances or components of allowances, by utility, shall be required when there is more than a ten per cent change in the resulting allowance due to a rate change since the last change was effective. In cases when a utility is granted a substantial rate increase in between the annual review, a mid-year allowance adjustment may be required.

(f) The authority may update the quantity allowances. To update the quantity allowance, units of various sizes in a sampling of different types of developments shall be surveyed to determine the types of existing equipment as well as to identify any factors affecting energy efficiency. If there is a variance in energy consumption factors within housing projects, the worst case scenario shall be identified and utilized for calculating the quantity allowances. The authority may, at its option, develop property specific allowances for its properties.

(1) Allowances for lighting shall be developed by conducting a field survey of a representative sample of units to determine the number and type of fixtures. The following factors shall be used to determine the kilowatt hour per month allowance for each unit size:

- (A) The number of fixtures;
- (B) Watts per fixture; and

- (C) Estimated hours of use per day.
- (2) Allowances for miscellaneous electric equipment shall be based upon usage of a television, radio, miscellaneous small appliances, and a fan.
- (3) The allowance for refrigerators is based on the equipment in place at the time of survey.
- (4) Allowances for cooking shall be based on the equipment in place at the time of survey.
- (5) Allowances for electric domestic hot water heating shall be based on engineering calculations for each bedroom size assuming a certain number of occupants. The data used in the calculations include estimated consumption per occupant per day, temperature of incoming water, temperature of hot water supply, efficiency of heater, and energy required to heat water to supply temperature.
- (6) Allowance for solar domestic hot water shall be based on a cost analysis of a domestic hot water heating system.
- (7) Gas consumption allowances shall be developed using the same methodology as the electric consumption allowance.
- (g) The authority shall provide medical disability allowances for tenants who have provided proof of medical necessity to the authority. The quantity allowances for medical equipment shall be determined by taking the equipment's average energy consumption multiplied by the normal frequency of usage.
- (h) A family shall pay for utility usage in excess of the applicable utility allowance.
- (i) A family shall receive a utility reimbursement when the utility allowance exceeds the total family payment except where:
 - (1) The family is paying a flat rent;
 - (2) The utility reimbursement would result in a rent due to the authority below the minimum

rent as established in section 17-2028-61;
or

- (3) The family has received a financial hardship exemption pursuant to section 17-2028-61(b) from the minimum rent payment and reimbursement would result in a balance due from the authority to the household.

(j) If a family resides in a dwelling unit served by authority-furnished utilities and must pay for utility usage in excess of the applicable utility allowance pursuant to subsection (h), where:

- (1) A checkmeter has been installed, the family must pay the excess unit cost of the relevant utility amount based on the authority's average utility rate as described in subsection (b).
- (2) A checkmeter has not been installed, the family must pay for excess usage resulting from estimated utility consumption attributable to tenant-owned major appliances or to optional functions of authority-furnished equipment according to the schedule described in subsection (b).

(b) The authority may transfer a family to another dwelling unit:

- (1) To prevent overcrowding or under utilization of a dwelling unit as determined by the authority at the time of the annual or interim reexamination;
- (2) To preserve the purpose for which a project or unit was specifically developed or designed such as to meet the needs of the elderly or persons with disabilities;
- (3) Based on an emergency where conditions of the dwelling unit, building or project pose an immediate, verifiable threat to life, health or safety of the family;

- (6) As a reasonable accommodation.

(c) Tenant transfers may take priority over new admissions.

(d) A family shall be afforded one offer to transfer to a unit that meets the criteria set forth in (b) above within the same housing project in which the family resides. If such unit is not available, the family may then be offered a unit in another housing project under the control of the management unit. If such a unit is not available, the family may then be offered a suitable unit on the island on which the family resides. Declining an offer to transfer

for good cause as determined by the authority shall not be considered a refusal.

(e) A family requesting a transfer shall not be transferred during periods when eviction proceedings have been initiated or are in process against such family, which includes the issuance of a notice of violation of the rental agreement by the authority for which the authority is seeking eviction, or scheduling a grievance hearing related to same or during any periods of conditional deferment of eviction action against such family.

(f) A family requesting a transfer, who is not current with rent or other charges, and who does not have an approved payment arrangement shall not be transferred until the situation is resolved to the satisfaction of the authority.

(g) A family shall not be transferred between any federally-assisted housing programs.

§17-2028-58 Backcharges. (a) A family shall pay in full any backcharges within ninety days from the date of notification of the backcharge; provided that where the family timely reports a change in income to the authority and a backcharge results from an increase in income, payment for any backcharges shall not be due until ninety days from the date of a completed reexamination or interim rent adjustment. Failure to do so shall result in the termination of the rental agreement.

(b) The authority may, in its discretion, elect to negotiate a reasonable payment arrangement with a family to ensure payment in full of any backcharges. When the authority determines not to exercise this discretion, the family shall be responsible for the

full balance of backcharges as stated in subsection (a). [Eff 7/21/05; am and comp 9/4/07; am and comp **MAY 24 2014**] (Auth: HRS §§356D-4, 356D-13) (Imp: 24 C.F.R. §966.4; HRS §§356D-4, 356D-13, 356D-31)

§17-2028-59 Rental agreement termination. (a) A family shall give the authority at least twenty-eight days written notice that the family will vacate the family's unit prior to the vacate date.

 - (C) Family no longer conforms to the occupancy limits as established by the authority for the unit occupied by the family and the family refuses to move to the first appropriate size unit offered;
 - (D) When requested by the authority due to health and safety, repair, abatement, construction or renovation of the

- dwelling unit, the family refuses to move;
- (E) Family is ineligible for continued occupancy;
 - (F) Failure of a family member to comply with community service requirement provisions of 24 C.F.R. part 960, subpart F as it existed March 28, 2013, provided that such failure shall result in non-renewal of rental agreement and termination of tenancy at the end of the twelve-month rental agreement term;
 - (G) At the time of admission, reexamination, interim or at any other time, the family has submitted false information or has withheld valuable information or has made wilful misstatements; and
 - (H) Family fails to accept the authority's offer of a revision to the existing rental agreement.
- (2) Engages in the illegal use of a drug or gives the authority reasonable cause to believe that the illegal use (or pattern of illegal use) of a drug or abuse (or pattern of abuse) of alcohol may interfere with the health, safety, or right to peaceful enjoyment of the premises by other tenants;
 - (3) Who the authority determines engages in any criminal activity that threatens the health, safety, or right to peaceful enjoyment of the premises by other tenants;

any member of the tenant's household, or any guest or other person under the tenant's control receives only one violation of section 17-2028-60 in one year, and participates in and completes a smoking cessation service program within the same year, the authority will clear the one violation and shall not deem the incident as a violation for the following year;

- (7) Fails to maintain utility services;
- (8) Has been convicted of a felony during the term of the tenancy, and the felony is related to the authority's property or funds, the resident association or tenant association's property or funds, homicide, assault, terroristic threatening, firearms, dangerous weapons, kidnapping, sexual assault, extortion, burglary, unauthorized control of propelled vehicle, and criminal property damage. This subsection does not apply to tenant's guest or other person under tenant's control;
- (9) Flees to avoid prosecution, or custody or confinement after conviction, for a crime, or attempt to commit a crime, that is a felony under the laws of the place from which the individual flees;
- (10) Violates a condition of probation or parole imposed under federal or state law; or
- (11) Engages in wilful damage to the authority's property.

§17-2028-60 Smoking prohibited. (a) Smoking is prohibited in all public housing projects, or portions of public housing projects, including inside dwelling units, unless specifically exempted by the authority in the ACOP, including:

- (1) In all common areas and community facilities in and around the authority's public housing projects. The authority may designate additional common areas in the ACOP; and
- (2) Within a presumptively reasonable minimum distance of twenty feet from entrances, exits, and windows that open to common areas, community facilities, and dwelling units, and ventilation intakes that serve common areas, community facilities, and dwelling units, including enclosed or partially enclosed areas where smoking is prohibited.

(b) This prohibition applies to the use of marijuana, even if its use is pursuant to a lawful prescription under part IX of the Hawaii uniform controlled substances act as it existed on March 28,

2013 that was given subsequent to tenant placement in the dwelling unit.

(c) Where smoking is not prohibited in a dwelling unit pursuant to subsection (a) and the household includes a person who smokes as disclosed pursuant to section 17-2028-22, the family shall pay a non-refundable monthly fee of \$5.00.

(d) The authority may discontinue the monthly fee required in subsection (c) when a family can demonstrate to the authority reasonable cause to believe that no member of the household continues to smoke. For the purposes of this subsection:

- (1) "Reasonable cause to believe" means by a preponderance of the evidence; and
- (2) In determining whether to discontinue charging the monthly fee, the authority may consider completion of a smoking cessation program. [Eff and comp **MAY 24 2014**] (Auth: §§356D-4, 356D-13) (Imp: 24 C.F.R. §§903.7, 966.3; HRS §§356D-4, 356D-13, 356D-31)

SUBCHAPTER 5

RENTS, SECURITY DEPOSITS, and OTHER CHARGES

§17-2028-61 Minimum rents. (a) There is established a minimum rent of \$50.00 per month.

(b) The authority shall grant an exemption from payment of minimum rent if the family is unable to pay the minimum rent because of financial hardship attributable only to the following situations:

- (1) The family has lost eligibility for or is awaiting an eligibility determination for a Federal, State, or local assistance program;
- (2) The family would be evicted because it is unable to pay the minimum rent;
- (3) The income of the family has decreased because of changed circumstances, including loss of employment;
- (4) A death has occurred in the family; and
- (5) Other circumstances determined by the authority or HUD.

(c) If a family requests a financial hardship exemption, the authority shall suspend the minimum rent requirement beginning the month following the family's request for a hardship exemption, and continuing until the authority determines whether there is a qualifying financial hardship and whether it is temporary or long term.

(d) When the authority determines that a qualifying financial hardship is temporary, the authority shall reinstate the minimum rent from the beginning of the suspension of the minimum rent ninety days after receiving the exemption request. The authority shall offer a reasonable payment arrangement to the family to ensure payment in full of any backcharges.

(e) When the authority determines a qualifying financial hardship is long term, the authority shall exempt the family from the minimum rent requirements so long as such hardship continues. Such exemption shall apply from the beginning of the month following the family's request for a hardship exemption until the end of the qualifying financial hardship.

(f) When the authority determines that there is no qualifying financial hardship exemption, the authority shall reinstate the minimum rent, including back rent owed from the beginning of the suspension. The family shall be responsible for backcharges as established in section 17-2028-58 and shall not be eligible for payment arrangements as provided under section 17-2028-58(b). [Eff 7/21/05; am and comp 9/4/07; am and comp **MAY 24 2014**] (Auth: HRS §§356D-4, 356D-13) (Imp: 24 C.F.R. 5.630; HRS §§356D-4, 356D-13, 356D-31)

§17-2028-62 Choice of rent. Once a year, the authority shall give each family the opportunity to choose between two methods of determining the monthly tenant rent. The family may choose to pay either a flat rent or income-based rent.

(a) The flat rent shall be the fair market rents ("FMRs") that are determined by HUD, at least annually, pursuant to 24 C.F.R. §888.113 as it existed on March 28, 2013. These FMRs, which include utilities (exclusive of telephone and cable television), are established for dwelling units of various bedroom sizes. Because the FMRs are determined by HUD and the authority has no discretion to amend or change the FMRs, the FMRs shall be established without a public hearing as provided in Section 91-3(d), HRS.

(b) The income-based rent is based on thirty per cent of the family's monthly adjusted income or ten per cent of the family's monthly income, or the minimum rent set forth in section 17-2028-61, whichever is greater.

- (1) The income-based rent does not include charges for excess utility consumption or other charges.
- (2) The income-based rent shall not exceed the total tenant payment pursuant to 24 C.F.R. §5.628 as it existed on March 28, 2013, for the family minus any applicable utility allowance for tenant-paid utilities. If the utility allowance exceeds the total tenant payment, the authority shall pay such excess amount (the utility reimbursement) either to the family or directly to the utility supplier to pay the utility bill on behalf of the family. If the authority pays the utility supplier, the authority shall notify the family of the amount of the utility reimbursement paid to the supplier.
- (3) For purposes of establishing the income-based rent, the authority shall exclude from annual income the earned income of previously unemployed family members and increases in earnings of a family member during participation in any economic self-sufficiency or other job training program as provided for in 24 C.F.R. §960.255 as it existed on March 28, 2013 and the PHA plan.

(c) If a family is unable to pay the flat rent because of financial hardship, the family may at any time request a switch to payment of income-based rent prior to the next annual option to select the type of rent. [Eff 7/21/05; am and comp 9/4/07; am and comp **MAY 24 2014**] (Auth: HRS §356D-15) (Imp: HRS §§356D-4, 356D-13; 24 C.F.R. §§5.628, 960.253, 960.255; HRS §§356D-4, 356D-13, 356D-31)

§17-2028-63 Security deposits. (a) Prior to admission to a housing project, a family shall pay a security deposit in an amount not to exceed one month's rent. The security deposit may be applied to rent or used to repay charges owed to the authority upon the termination of the rental agreement.

(b) Where smoking is not prohibited in a dwelling unit pursuant to section 17-2028-60(c) and the household includes a person who smokes as disclosed pursuant to section 17-2028-22, the family shall pay an initial refundable smoking deposit of \$75.00.

(c) The authority may charge a non-refundable community facilities maintenance fee of not less than one per cent of the community facilities expenses for rental and use for private functions. Resident associations that are duly recognized by the authority shall be exempt from the payment of this deposit.

§17-2028-64 Other Charges. The authority may charge a family, in addition to monthly rent and applicable utility charges, the following:

(a) A late fee of \$25.00 if the monthly rent is paid after the seventh business day of that month;

(b) A dishonored check fee of \$25.00 for every check made payable to the authority that is returned for insufficient funds; and

(c) Maintenance costs which includes repair costs related to damages to the dwelling unit or appliances or equipment furnished by the authority, in excess of ordinary wear and tear, and for any repairs to project buildings, facilities, or common areas required because of the wrongful act or negligence of the family or the family's guest or visitor.

(a) The authority shall monitor and assess the family self-sufficiency participant's progress and compliance with the goals set forth in the contract of participation. When the authority determines that the family self-sufficiency participant is not making progress or complying with the goals of the contract of participation, the authority shall notify the family self-sufficiency participant of such determination and provide the family self-sufficiency

participant six months to demonstrate compliance with the plan of the contract of participation.

(b) If no progress has been made or the family self-sufficiency participant is still not complying with the contract of participation after the six-month period, the authority shall provide the family self-sufficiency participant with a written notice of intent to terminate or withhold services and of the opportunity to request an informal hearing.
