

Notice of Post-Award Public Forum on QUEST Integration Medicaid 1115 Demonstration

The Centers for Medicare & Medicaid Services (CMS) approved the State of Hawai'i's section 1115 demonstration project entitled, "QUEST Integration Medicaid 1115 Demonstration" on September 24, 2013. The five year demonstration project, which is administered by the Department of Human Services, Med-QUEST Division (MQD), integrates the previous managed care programs to align with requirements of the Affordable Care Act, provides a more patient-centered healthcare delivery system, and expands access to home and community based services, all with the goal of delivering better health outcomes more efficiently. This demonstration project is currently approved through December 31, 2018.

In accordance with federal transparency requirements under the Affordable Care Act, the State must conduct periodic evaluations related to the implementation of the demonstration project. Therefore, the State of Hawai'i, Department of Human Services, hereby notifies the public that a post-award public forum will be held concurrently with the "QUEST Integration Update" public forum to afford the public with an opportunity to provide meaningful comments on the progress of the demonstration project.
