Memo No. 1

The Department of Human Resources Development (DHRD) has announced the State Executive Branch Training Catalog for July to December 2016. Classes are listed by island (Hawaii, Kauai, Maui, and Oahu).

This schedule is available on the Department of Human Services' (DHS) website. Please forward the attached schedule and/or circulate to the appropriate units in your division as this schedule should be made available to all employees.

Employee requests for DHRD live-training and community college online and/or live training contained in the DHRD State of Hawaii Executive Branch Training Catalog must be submitted (following proper division authorization protocols) to your division training coordinator's office for processing and submittal to the Personnel Office, Training Staff (PERS/TS).

Registration for DHRD training classes must be submitted on the attached employee training request form (DHS 104). Include Uniform Act Codes (appropriation and act code) for journal voucher payments on the designated line. Registration and payment for community college courses and the University of Hawaii Outreach College should be submitted on the attached Form 410.

Confirmation to attend training events will be made by the PERS/TS to division training coordinators. Employees should not attend any class without notification confirming enrollment. Employees confirmed to attend, but needing to cancel must follow the respective course provider cancellation policy, as there may be charges for cancellations made in less than the allotted time. Changes (substitutions or cancellations) made for DHRD and community college courses require written notification (reason for change) to division training coordinators at least 5 days prior to the start date of class (refer to attached catalog).

Please note that the participant's division is responsible for additional costs, if any, related to reasonable accommodations under the Americans with Disabilities Act Amendments Act. Employees who have requests for special needs or reasonable accommodations (e.g., sign or other language interpreter, large print materials, van accessible parking), must send requests to PERS/TS at least 18 working days (DHRD requires minimum 15 working days) prior to the event. Although each DHS office will try to fill your request, resources are limited and depend on availability. If a resource is not available, an alternative method might be used to meet your need. Employees who have special needs or questions regarding registration procedures, please contact Pauline Chun at 586-4970/586-4959(TTY) or via email at pchun@dhs.hawaii.gov.

**HUMAN RESOURCES MANAGEMENT SYSTEM (HRMS) REGISTRATION PROCEDURES
HUMAN RESOURCES DEVELOPMENT (HRD) CONDUCTED CLASSES
(‘HRD’ in the Training Catalog next to cost column)**

For Departmental Human Resources Offices [HROs]

REGISTRATION

Enrollment is subject to space availability. Registration will be considered “closed” when the maximum number of students for that session has been reached. ***Once maximum student capacity has been reached, departments will be informed by an HRMS warning message that no further registration will be accepted for the session.***

DRESS CODE

Employees must attend class in work appropriate attire, e.g., no shorts, zoris-style slippers, tank tops, etc.

ENROLLMENT

Departmental HROs are responsible for registering their departmental employees into HRMS and notifying them of their ***confirmation to attend or status of enrollment***, class start time, and class location ***before*** they come to class. Employees must have received official notification of their confirmation in order to attend class.

ATTENDANCE

Attendance on the first day of a class is mandatory. Should an employee miss the ***first day*** of a *multi-day course*, he or she will be dropped from the course, and their department will be charged for any registration fee associated with the course. Employee cancellations must be received by HRD’s Learning and Development Office ***within*** the stated grace periods (see “***CANCELLATION***”) to avoid assessment of any course fees.

CANCELLATION

Cancellation deadline to notify HRD’s Learning and Development Office is no later than ***5 working days prior*** to the start date of class. Registration fee for a class is nonrefundable (except where proper notification has been received by HRD), is non-transferable, and cannot be applied as credit towards future classes.

PAYMENT

Invoices will be sent to the departmental HROs for those classes with fees. Payment must be made by either Journal Voucher or check. ***Note: HRD does not have the ability to process state p-card payments.***

- Payments should be made to HRD’s account code number as follows:
805-S -[insert the current fiscal year here]- 310-P-1368-0600.

SUBSTITUTION

The substitution deadline to notify HRD is no later than ***5 working days prior*** to the start date of class. Notification is important to allow the HRD Learning and Development Office enough time to update and revise their training rosters and/or materials.

- Substitution notices should include the employee’s name; the substitute’s name and reason for change
- Drug and Alcohol, Violence in the Workplace, and Ergonomic classes – call Safety Office, ph. 587-1060 or Facsimile Number 587-1322
- All other HRD classes – call Learning and Development Office, ph. 587-1050 or Facsimile Number 587-1107
- Equal Employment Opportunity (EEO) classes – call Equal Employment Opportunity Office, ph. 587-1162

In the case of a *multi-day course*, the substitute is expected to attend ***all*** sessions of the multi-day course.

PARKING

HRD does ***not*** provide parking for training classes. Employees should refer inquiries to their HROs about any parking options, e.g., parking permits, reimbursement policy, etc.

NEED FOR AUXILIARY AIDS AND SERVICES REQUESTS

Requests for auxiliary aids or services for employees attending HRD classes must be submitted to the Learning and Development Office at least ***15 working days prior*** to the start date of the class.

COMMUNITY COLLEGE (VENDOR) REGISTRATION PROCEDURES
Employees must register for classes through their HROs.
For Departmental Human Resources Offices [HROs]

REGISTRATION

Submit an approved (signed) Human Resources Development Registration (HRD) Form 410 to the community college (vendor) identified in the course fee column of the Training Catalog, e.g., '\$160-**WCC**' (Windward Community College). Refer to "VENDOR CONTACTS FOR REGISTRATION & PAYMENTS", pgs. 12-13, for vendor contact information.

All HRD Form 410 must have the following information:

- Employee's name (Last, First, M.I.)
- Employee's signature of release (required for the release of attendance information)
- Employee's E-mail Address, Division and Contact Phone Number (needed for contact and follow-up)
- The designated P-card Holder's name and contact information (needed for payment processing)

DRESS CODE

Employees must attend class in work appropriate attire, e.g., no shorts, zoris-style slippers, tank tops, etc.

PAYMENT

Payment may be made using the state purchase card (P-card). Vendors will contact the P-card holder listed on the HRD Form 410. Departments must provide the following information to the Vendors:

- Method of payment – State Purchase Card (P-card), check, or purchase order. If paying by other methods than the P-card, check with the vendor first for further payment instructions
- P-card Holder's Name (as shown on the P-card)
- P-card Holder's e-mail address and contact phone number (required for contact/follow-up purposes)
- P-card Holder's Billing Address

Once the P-card Holder provides the required information to the vendor (see bullet items) and the information has been processed, then the employee is considered registered for the class. The vendor will send a notice verifying employee's registration status to either the P-card Holder, designated department contact, or the employee.

CANCELLATION

The vendor will accept cancellations no later than **5 working days prior** to the start date of class. Employee cancellations received **less than** 5 working days prior to the start date of class will be charged the full registration fee for the class. The vendor will notify the department contact person (i.e., the p-card Holder unless otherwise specified) when a class is cancelled or if there are any class changes.

SUBSTITUTION

Substitutions may be allowed, depending on vendor policy. Departments are instructed to contact the vendor in question (See "*VENDOR CONTACT LIST FOR REGISTRATION & PAYMENTS*", pgs. 12-13) to ask about their substitution policy. Any employee who is approved as a substitute student must attend all sessions of the course.

PARKING

Parking arrangements, if available, will be handled through each vendor. All questions regarding parking should be made directly to the Vendor. Contact information on the vendors may be found in "*VENDOR CONTACT LIST FOR REGISTRATION & PAYMENTS*", pgs. 12-13.

NEED FOR AUXILIARY AIDS AND SERVICES REQUESTS

Departments must indicate the need for auxiliary aids and services requests on the HRD Form 410 that is sent to the vendor.

ONLINE COURSE REGISTRATION

COMMUNITY COLLEGE PROCEDURES

Employees must register for these online classes through their HROs.
For the Departmental Human Resources Offices [HROs]

REGISTRATION

Submit an officially approved (signed) Human Resources Development (HRD) Registration Form 410 and send the form to the course vendor (Community College). To identify the provider/vendor for a course, go to the course fee column of the Training Catalog to identify the coded vendor, e.g., "\$160-**WCC**" (Windward Community College). You may refer to the "VENDOR CONTACTS FOR REGISTRATION & PAYMENTS" pgs. 12-13, for vendor contact information.

All HRD Form 410 should have the following information:

- ◆ Employee's name (Last, First, M.I.)
- ◆ Employee signature allowing release of attendance information (**mandatory**)
- ◆ Employee's E-mail Address, Division and Contact Phone Number (vendor needs this for contact/follow-up)

Employees should allow time for departments to process and approve requests to attend online training. Unlike instructor led classes, online courses are **self-directed** and **self-paced**, and therefore, employees should plan their state work schedules to allow enough time to complete their online training course during official work hours.

PROCEDURES

- Once approval is received, employees will be sent an URL link to access the online training course
- All online training must be conducted during employee's official state work hours
- Employees must use state owned computer equipment (either their individual work stations or departmental stations) for online training
- Employees must have a valid state email address (either their own or department issued alternate address) in order to access the community college URL link to the online course
- All community college (vendor) online training courses come with a defined viewing period. Check with each community college vendor regarding their online viewing policy and time limits
- Employees may determine the pace, length, and frequency of their training participation
- Employees must notify their departmental Human Resources Office if they are unable to commence training for any reason – *Substitution is not permitted however rescheduling is possible depending on each vendor's policy. Please ask about their policy at the time of registration.*
- Departments are responsible to make alternative arrangements for employees unable to attend online training as originally scheduled

PAYMENT

Payment to vendors is primarily through the State Purchase Card (P-card) and done at the time of course registration. The vendor will contact the P-card holder listed on the HRD Form 410 in order to obtain payment information.

Departments must provide the following in order to process payments:

- ◆ Have a selected method of payment – by State Purchase Card (P-card), check, or purchase order - **Note: if payment method is by other than P-card - check with the vendor for further payment instructions**
- ◆ P-card Holder's Name as shown on the P-card
- ◆ P-card Holder's e-mail address and contact phone number (**mandatory information** – needed by vendor in order to process payment and/or follow-up)
- ◆ P-card Holder's Billing Address

Once the P-card Holder has provided the payment information to the vendor and it has been processed, the employee is considered registered for the course. The vendor will send an email notice providing the URL link for the online course to either the P-card Holder or the designated department contact or the employee.

NEED FOR AUXILIARY AIDS AND SERVICES REQUESTS

Departments must indicate the need for auxiliary aids and services requests on the HRD Form 410 that is sent to the vendor.

STUDENT'S RESPONSIBILITIES

GENERAL INFORMATION

Employees should be on time for classes, prepared to take notes, and bring any handout materials sent to them for the class. Employees must inform their work supervisor of any changes that will prevent them from attending class.

CONFIRMATION OF ENROLLMENT

All employees registering for classes must receive a **confirmation of enrollment** from either their Departmental Human Resources Office [HRO] designated department contact, or the training vendor, e.g., Leeward Community College (LCC) or University of Hawaii at Manoa Outreach College (UHMOU), etc., **before** coming to class.

Employees who do not receive a confirmation of enrollment beforehand should contact their HROs to verify their registration status prior to the start of class.

ATTENDANCE

- Attendance is a requirement for every class
- For multi-day/part classes, attendance on the first day is mandatory. Should an employee miss the **first day** of a multi-day/part class, he or she will be dropped from the class and their department will be charged the full fee (if any) for the class. Fees will only be waived for employees whose cancellation notices are received by the Department of Human Resources Development **within** the stated grace periods (see "HUMAN RESOURCES MANAGEMENT SYSTEM (HRMS) REGISTRATION PROCEDURES - HUMAN RESOURCES DEVELOPMENT (HRD) CONDUCTED CLASSES – CANCELLATION", pg. 6).

CLASS MAKE UPS

If employees attending the first day of class are unable to attend one, or all, of the **subsequent days** (of a multi-day/part class), then they should check with their departmental HRO on whether make-up sessions may be arranged with the vendor at no additional charge. All make-up sessions will need to be coordinated and arranged through the departmental human resources office.

*No make-up sessions will be allowed for employees who are absent on the **first day** of a class.*

DRESS CODE

Employees must come to class dressed appropriately, e.g., no shorts, zoris-style slippers, tank tops, etc.

Environmental conditions for classes may vary depending upon their location. To prepare for this, employees may wish to bring either a sweater or jacket to class or contact the vendor beforehand to inquire about classroom temperature conditions.

PARKING

HRD does **not** provide or arrange for parking for training classes. Employees should contact their departmental HROs to inquire if any parking options are available, e.g., parking permits, reimbursement policy, etc.

NEED FOR AUXILIARY AIDS AND SERVICES REQUESTS

Employees must indicate on their Registration Form 410s if they have any need for auxiliary aids and services requests for a class. The Form 410s must be submitted to their Human Resources Office (fka: Personnel Office) no later than **15 working days** prior to the start of the class.

The key to finding creative solutions is not just creativity, although that will certainly help.
