Helpful Tips About	-When leaving phone messages for a SW: leave a clear message with your name & number, the child's
Communicating With Team Members	name, what you need, and when good times to call back are.
Will Team Name of S	-If the call is regarding medical coverage, clothing or payments, contact the SSA.
	-If you need to speak to someone immediately, call the number indicated on the SW's voice mail or
	extension 0 and ask for the Office Duty SW on call that day. You also may ask to speak to the Unit
	Supervisor or your DHS licensing SW.
	-Other helpful people to call are the GAL or CASA for information or advocacy, or the child's therapist
	for help on dealing with some of the child's behavioral/emotional challenges. The child's therapist
	should have after-hour emergency contact numbers.
	-Always ask for names and numbers and keep the list handy.
Higher Education	A. If a youth wishes to attend an institution of higher education and qualifies: Higher Education Board
Board Payments	payments of \$676 per month may continue through the youth's 26 th year. Clothing allowance available
	if youth aged out of care. Discuss this with the child's SW. SEE DHS WEBSITE.
	B. Education Training Voucher (ETV): Former DHS foster youth adopted from DHS at 16 or older may
	be eligible to receive up to \$5,000/year to assist with cost of attendance until age 23.
Infant Care	Seek guidance from the child's SW and materials from the DHS licensing worker, child's Primary Care
	Physician, etc. regarding general care, critical safety measures, etc.
	NO SHAKING OF AN INFANT (Shaken Baby Syndrome).
Keeping Records	Keep detailed documentation of the child's behaviors, eating patterns, and child's likes and dislikes.
	Also, record all doctor appointments, dental visits, educational milestones and difficulties, telephone
	contacts & home visits with child welfare personnel, and interactions with biological family. Maintain a
	list of all people who are involved in the child's life, including their name, agency and phone number.
Liability Insurance	Licensed DHS resource caregivers providing care for DHS foster children are included in a LIMITED
	liability Insurance Coverage purchased and provided by the Department. Review the brochure with your
	DHS licensing social worker. It is also highly recommended that all resource caregivers should purchase
	homeowner or renter's insurance.
Medical Insurance	Children in foster care are covered by the State's Medicaid Program. You should receive medical card
Coverage	information for each child. If you haven't received a medical card, if you do not know where to take the
	child for medical or dental services, or to inquire about changing providers, contact the child's SSA.
Mileage	If you transport the child for therapy appointments, interactions with birth family, school meetings, IEP
Reimbursement	meetings, etc. or you attend child-related trainings, you may be reimbursed at the current state mileage
	allowance rate. Call the child's SSA or SW (for child-related situations).
Newsletters	DHS provides funding for quarterly Newsletter mailouts to DHS resource caregivers:
	PIDF-Hui Ho'omalu's Statewide Resource Advisory Committee provides resource and support
	information for resource families. To request, call Hui Ho'omalu at 441-1125 (Oahu) or 1-888-879-
	8970 (toll free).
Normalcy For	These guidelines are for Resource Caregivers on the Prudent Parent Standards and will be provided by
Children and Young People in Foster Care	your DHS licensing worker at your first visit.

'Ohana Conferencing,	EPIC 'Ohana provides Statewide 'Ohana Conferencing to bring together the extended family members
Family Finding, and Family Connections	of children who are involved in the CWS system to thoughtfully and carefully plan for the protection and
Tuning Connections	safety and permanency of the children. Resource caregivers can also request an 'Ohana Conference and
	are strongly encouraged to attend these valuable meetings. EPIC 'Ohana also provides Family Finding
	and Family Connection services to youth in foster care. 838-7752 (Oahu) or 1-866-636-1644 (toll-free).
Parenting Classes	PATCH offers a variety of free and low-cost services to educate parents, etc. Parenting classes are
	available to resource families through a Department contract. PATCH will do direct mailouts to the
	DHS resource families. For other parenting resources, call the Warm Line at 545-1130 (Oahu) or 1-866-
	545-0882 (toll-free).
Psychological or	Discuss with the child's SW any concerns for therapeutic services.
Therapeutic Services	Children in foster care can access therapy through MedQuest Health Plan.
SCI VICES	Children in foster care may also be eligible for therapeutic services through their school, if the child is
	certified for these services and if it is included in the child's IEP. Work with the child's SW, the school
	and the Dept. of Education's Surrogate Parent.
	Children in foster care may also be eligible for therapeutic services through Dept. of Health-Child &
	Adolescent Mental Health Division (CAMHD). Work with the child's SW regarding a possible referral.

	borrow. Resource caregivers can receive training hours for reading approved books or watching
	approved DVD's.
Respite Funds	If you need a break or are going on vacation, respite funds can help pay for someone to care for the
	child. It is the resource caregiver's responsibility to find a respite provider. The Resource Caregiver is
	responsible to ensure the babysitter is suitable to complete the job and is provided guidance of what to
	do in an emergency. Furthermore, disciplinary procedures and confidentiality is explained to the
	babysitter. Limited funds are available by fiscal year. Call the child's SSA or SW.

Role of Resource	A resource caregiver provides temporary care for children in foster care.				
Caregiver	It is therefore essential to work with DHS to support reunification or to transition the child to appropriate				
	relatives for permanency. Dependent upon the situation, it may involve at least an initial meeting with				
	birth parents. Some resource caregivers may even feel comfortable to mentor the birth parents. It may				
	involve transporting or supervising and supporting interactions between the birth parents and child or				
	between siblings. Also, it will involve facilitating and participating in services to support the child's				
	well-being (cultural, ethnic, mental and physical health, education, spiritual, etc.).				
	The role of the resource caregiver is to provide normalcy for children in foster care. Normalcy as				
	defined by young people in foster care means being a part of a caring and supportive family, developing				
	and cultivating friendships, engaging in extracurricular and every day activities, being a person, not a				
	label and making decisions, trying new things and sometimes making mistakes. Allowing for mistakes				
	to be teaching moments and not used as a reason to ask the child/young person to leave.				
School-Based	Check with the school on applications for free or reduced-rates on school lunches, bus passes, After-				
Benefits	School Plus (A+) Programs, summer school tuition waivers (summer school waivers based on available				
	funding) for children in foster care. If the child does not receive a free bus pass, check with the SSA or				
	SW about reimbursement or purchase order procedures for bus passes. Remember to note on the				
	applications that the child is in foster care and who the social worker is and contact # so that the				
	application will have special processing. Check on any benefits/scholarships that the school offers. At				
	the same time, please consider the feelings of the child as some children are embarrassed by these types				
	of "freebies" that identify them as foster children.				
Summer School	Kamehameha Schools will often offer scholarships/ financial assistance for summer school sessions for				
Scholarships	Native Hawaiian children.				
Supplemental	Medical treatments or medication for the resource caregivers or members of the home may be provided				
Payment for	up to \$500 per incident or \$500 per person, depending upon a doctor's recommendations for a child's				
Medical Issue	physical condition such as Hepatitis B, etc. The need for cleaning supplies for the home or family must				
	be established by the SW. The need for those treatments, medications or supplies must be related to the				
	physical condition of the child in foster care.				
Support Groups	Support groups are available in various geographic areas. Check www.FamilyProgramsHawaii.org and				
	click on 'Events' for listings, or call the Warm Line for more information. (See Warm Line)				
Support: Counseling	Comprehensive Counseling & Supportive Services (CCSS): The Department contracts with various				
& Services (In addition	agencies statewide to provide counseling and support services to stabilize and preserve the child's home				
to child's SW & therapist,	environment (birth or resource families). Call the child's SSA or SW.				
DHS licensing worker) Trainings and	-There is a Mandatory Ongoing Training Requirement for all licensed resource families with a minimum				
Workshops	of six (6) training hours per family required annually or 12 hours over a two year licensing period.				
Workshops	-The Department provides funding to support resource family training for DHS foster home licensure				
	through Hui Hoʻomalu. Ongoing training is provided by Family Programs Hawaii (Hui Hoʻomalu).

Transition and Youth Services

Talk to your child's social worker regarding referrals to the following programs for youth or call the Warm Line for more information:

- 1. <u>Independent Living Program (ILP) Services</u>: helps youth (from age 12) develop knowledge, skills, and connections to make a successful transition to living on their own.
- 2. <u>Ho'ololi mua noke ola Senior Program (HSP)</u> guides high school seniors in foster care to successfully prepare for and enter college or vocational training. East Hawaii only.
- 3. <u>E Makua Ana Youth Circle</u>: provides a group process for teenagers to celebrate their emancipation from foster care and to assist them in planning for their independence/interdependence.
- 4. <u>Hawai'i Foster Youth Coalition</u>: assists youth in the foster care system by advising and advocating for a successful future, providing transitional assistance, peer mentoring, and outreach.
- 5. <u>Hawai'i Youth Opportunities Initiative and HI H.O.P.E.S Youth Leadership Board:</u> helps youth (14-26 years old) by working with public and private partners to improve policies and practices, promote youth engagement, apply evaluation and research, and create community partnerships.
- 6. <u>Imua Kakou</u>: a voluntary program to help young adults between the ages of 18-21 who age out of foster care, successfully transition into adulthood. Foster board payment of \$676, reimbursement for bus passes, & \$300 clothing allowance (which includes clothing & diapers for any children of former foster youth) is available. Youth must participate in higher education, employment training, or be employed.
- 7. Mentoring Connection: provides mentors for foster youth ages 13-20. On Oahu only.
- 8. <u>Project Visitation</u>: brings siblings, who are living in separate foster homes, together for monthly visits. On Oahu and East Hawaii only.
- 9. <u>Youth Empowerment & Success (Y.E.S. Hawaii)</u>: Youth driven statewide program providing support and activities for youth 14-26.
- 10. <u>Skills for Success</u>: Trainings for youth and their resource caregivers. Youth will learn soft skills to help prepare them for adulthood in the areas of social well-being, physical well-being, financial, housing, intellectual potential, and employment/career. Resource caregivers will also receive suggestions on how to support youth in the different topic areas.

Traveling With Children in Care

Parental consent is required for children in foster care to travel off-island with their resource caregivers. Voluntary cases: If the parents do not consent, the child cannot travel.

<u>Court cases</u>: If the parents and the GAL/CASA consent, the Court must be informed that the parents and the GAL/CASA do not object. If the parents or the GAL/CASA object, a motion must be filed with the Court and the Court will render a decision on whether the child can travel. In situations where the parents cannot be located but the DHS & the GAL/CASA do not object, the Court must be informed of the Dept.'s efforts to locate the parents & that there are no objections by DHS & the GAL/CASA.
