<p>Hawaii ACLU – RAE 11:22am-2:29pm</p>	<p>out or run way) to stop strip searching – NOT THE NORM for other</p> <ul style="list-style-type: none"> • Solitary confinement –at Detention Home at Kapolei – Holding children for 36 hours in Solitary confinement (best practice is 4 hours or less) Some were 31 days in Solitary confinement with no education or consideration of welfare •ACLU – School Discipline and School Based Arrests: Report of 92-day suspension for child who smelled like cannabis (no due process for child was given) – students have the right for a hearing. <ul style="list-style-type: none"> • Issue with Out-of-school suspensions, In-school suspensions (Sit during school day and is not the best alternative to suspension) – Are students with special needs receiving appropriate education services while in-school suspension? What are students receiving for school work during suspension? • DOE – Must track rate of restraints <p>School climate concerns: If students are hungry, homeless, trauma in household, food instability, etc., What is causing the behavior? Students should not be suspended.</p> <p>School districts need to look at the school climate to approach the issue. If a student acts out at school, removing them from school is not going to be productive providing more counselors at school is more important</p> <p>ACLU– will provide technical assistance to OYS or DOE (Solitary confinement to suspension)</p> <p>ACLU & Hawaii Legislation - Critical need for mental health services for youth not hospitalized. Students from shelter homes, homeless youth are not receiving the school based mental health services that are needed. Medicaid expansion funding not ER visits.</p>
