- c) Hoffeld, Ignacio-Neumiller and Moniz do not have bills to introduce, but looking to see if can support State Commission bills
- d) Jabola-Carolus would support these bill proposals:
 - (1) These issues have been raised by community but no organization is able to take them independent of Commission in 2020. Also strategic because these bills are budget neutral
 - (2) Training bill would help tremendously for gender responsive policymaking across issues. Canada requires a women's rights and gender sensitivity training for all department heads for three days

 - (b) Women's Legislative Caucus is interested
 - (3) Hoffeld wants to be sure neighbor island Directors, county councils will also be included in the training

 - (2) Asking for feedback from divisions on where to cut
 - (3) 10% cut would render almost inoperable
 - (4) Most of our budget is salaries. May need to look into cutting NACW travel, reducing offering community grants, and may need to focus entirely on bills if unable to fund programs
 - (5) Deadline next week Wednesday to respond on estimates. Will keep Commission closely informed
 - c) Imminent Furloughs

- (1) From the cabinet level, may occur as severe as 2 days/week or 10% pay cut. May need advocacy to ensure no cuts
