DHS Approved Safe Sleep Trainings

All DHS licensed and registered Family Child Care (FCC) home providers and infant and child care centers, as well as any group child care homes operating demonstration projects, that are permitted to accept and care for <u>children less than one year of age</u>, must have all employees, household members, and volunteers complete upon hire and on an annual basis training in safe sleep practices that is approved by DHS.

The current list of DHS approved Safe Sleep trainings are:

CypherWorx online training:

https://collabornation.net/login/patchhawaii

- SIDS and Safe Sleep (CDA 1)
- Safe Infant Sleep in Early Childhood (CDA1 & 4)

Penn State Extension (Better Kid Care) online training:

https://extension.psu.edu/programs/betterkidcare/lessons/safe-sleep-practices-for-caregivers- reduce-the-risk-of-suid

Safe Sleep Practices for Caregivers: Reduce the risk of SUID

Texas A&M Extension online training:

https://agrilifelearn.tamu.edu/s/product/safe-sleep-reducing-the-risk-of-sleeprelated-infant-death- in-child-care/01t4x000002ciKsAAI

Safe Sleep: Reducing the Risk of Sleep-Related Infant Death in Child Care

PATCH self-paced online training:

https://collabornation.net/login/patchhawaii

11- PATCH Hawaii Safe Sleep in Child Care

PATCH Live Webinar online training:

https://collabornation.net/login/patchhawaii

Any of the following trainings will meet the safe sleep requirements:

- Class #518 Safe Sleep in Child Care
- Class #506 Health, Safety, & Nutrition
- Class #514 Addressing Hawaii's Environmental Standards

PATCH In-Person training:

https://stage.worklifesystems.com/training/39

Any of the following trainings will meet the safe sleep requirements:

- Class #518 Safe Sleep in Child Care
- Class #506 Health, Safety, & Nutrition
- Class #514 Addressing Hawaii's Environmental Standards

Note: If a caregiver who previously completed an online training retakes the course the following year, a <u>new</u> certificate must be provided with the current date the training was completed to count towards the annual safe sleep training requirement.
