The State complies with the requirements of section 1917(a) of the Act and regulations at 42 CFR 433.36(c)-(g) with respect to any lien imposed against the property of any individual prior to his or her death on account of medical assistance paid or to be paid on his or her behalf.

- X The State imposes liens on real property on account of benefits incorrectly paid.

- X The State imposes TEFRA liens 1917(a)(1)(B) on real property of an individual who is an inpatient of a nursing facility, ICF/MR, or other medical institution, where the individual is required to contribute toward the cost of institutional care all but a minimal amount of income required for personal needs.

The procedures by the State for determining that an institutionalized individual cannot reasonably be expected to be discharged are specified in Attachment 4.17-A. (NOTE: If the State indicates in its State plan that it is imposing TEFRA liens, then the State is required to determine whether an institutionalized individual is permanently institutionalized and afford these individuals notice, hearing procedures, and due process requirements.)

- X The State imposes liens on both real and personal property of an individual after the individual's death.

(b) Adjustments or Recoveries

The State complies with the requirements of section 1917(b) of the Act and regulations at 42 CFR 433.36 (h)-(i).

Adjustments or recoveries for Medicaid claims correctly paid are as follows:

(1) For permanently institutionalized individuals, adjustments or recoveries are made from the individual's estate or upon sale of the property subject to a lien imposed because of medical assistance paid on behalf of the individual for services provided in a nursing facility, ICF/MR, or other medical institution.

X Adjustments or recoveries are made for all other medical assistance paid on behalf of the individual.

(2) \_\_\_\_\_ The State determines "permanent institutional status" of individuals under the age of 55 other than those with respect to whom it imposes liens on real property under §1917 (a) (1) (B) (even if it does not impose those liens).

(3) For any individual who received medical assistance at age 55 or older, adjustments or recoveries of payments are made from the individual's estate for nursing facility services, home and community-based services, and related hospital and prescription drug services.

X In addition to adjustment or recovery of payments for services listed above, payments are adjusted or recovered for other services under the State Plan as listed below:

All services listed in State Plan Section 3, "Services General Provisions", Attachment 3.1-A and Attachment 3.1-B, for applicable individuals age 55 and over, with the exception of Medicare cost sharing identified at 4.17(b)(3)(Continued).

The State adjusts or recovers from the individual's estate on account of all medical assistance paid for nursing facility and other long term care services provided on behalf of the individual. (States other than California, Connecticut, Indiana, Iowa and New York which provide long term care insurance policy-based asset or resource disregard must select this entry. These five States may either check this entry or one of the following entries.)

The State does not adjust or recover from the individual's estate on account of any medical assistance paid for nursing facility or other long term care services provided on behalf of the individual.

The State adjusts or recovers from the assets or resources on account of medical assistance paid for nursing facility or other long term care services provided on behalf of the individual to the extent described below:

**STATE PLAN UNDER TITLE XIX OF THE SOCIAL SECURITY ACT**

State/Territory: HAWAII

**(c) Adjustments or Recoveries: Limitations**

The State complies with the requirements of section 1917(b)(2) of the Act and regulations at 42 CFR §433.36(h)-(i).

- (1) Adjustment or recovery of medical assistance correctly paid will be made only after the death of the individual's surviving spouse, and only when the individual has no surviving child who is either under age 21, blind, or disabled.
- (2) With respect to liens on the home of any individual who the State determines is permanently institutionalized and who must as a condition of receiving services in the institution apply their income to the cost of care, the State will not seek adjustment or recovery of medical assistance correctly paid on behalf of the individual until such time as none of the following individuals are residing in the individual's home:
  - (a) a sibling of the individual (who was residing in the individual's home for at least one year immediately before the date that the individual was institutionalized), or
  - (b) a child of the individual (who was residing in the individual's home for at least two years immediately before the date that the individual was institutionalized) who establishes to the satisfaction of the State that the care the child provided permitted the individual to reside at home rather than become institutionalized.
- (3) No money payments under another program are reduced as a means of adjusting or recovering Medicaid claims incorrectly paid.

STATE PLAN UNDER TITLE XIX OF THE SOCIAL SECURITY ACT

State/Territory: HAWAII

(d) ATTACHMENT 4.17-A

- (1) Specifies the procedures for determining that an institutionalized individual cannot reasonably be expected to be discharged from the medical institution and return home. The description of the procedure meets the requirements of 42 CFR 433.36(d).
- (2) Specifies the criteria by which a son or a daughter can establish that he or she has been providing care, as specified under 42 CFR 433.36(f).
- (3) Defines the following terms:
  - o estate (at a minimum, estate as defined under State probate law). Except for the grandfathered States listed in section 4.17(b)(3), if the State provides a disregard for assets or resources for any individual who received or is entitled to receive benefits under a long term care insurance policy, the definition of estate must include all real, personal property, and assets of an individual (including any property or assets in which the individual had any legal title or interest at the time of death to the extent of the interest and also including the assets conveyed through devices such as joint tenancy, life estate, living trust, or other arrangement),
  - o individual's home,
  - o equity interest in the home,
  - o residing in the home for at least 1 or 2 years,
  - o on a continuous basis,
  - o discharge from the medical institution and return home, and
  - o lawfully residing.

4.19 (m) Medicaid Reimbursement for Administration of Vaccines under the Pediatric Immunization Program

1928(c)(2) (i)  
(C)(ii) of  
the Act

A provider may impose a charge for the administration of a qualified pediatric vaccine as stated in 1928(c)(2)(C)(ii) of the Act. Within this overall provision, Medicaid reimbursement to providers will be administered as follows.

(ii) The State:

— sets a payment rate at the level of the regional maximum established by the DHHS Secretary.

— is a Universal Purchase State and sets a payment rate at the level of the regional maximum established in accordance with State law.

X sets a payment rate below the level of the regional maximum established by the DHHS Secretary.

— is a Universal Purchase State and sets a payment rate below the level of the regional maximum established by the Universal Purchase State.

The State pays the following rate for the administration of a vaccine:

\$2.00

1926 of  
the Act

(iii) Medicaid beneficiary access to immunizations is assured through the following methodology:

Early and Periodic Screening, Diagnosis and Treatment (EPSDT) Services.

4.26 Drug Utilization Review Program

A.1. The Medicaid agency meets the requirements of Section 1927(g) of the Act for a drug use review (DUR) program for outpatient drug claims.

1927(g)(1)(A)

2. The DUR program assures that prescriptions for outpatient drugs are:

- Appropriate
- Medically necessary
- Are not likely to result in adverse medical results

1927(g)(1)(a)  
42 CFR 456.705(b) and  
456.709(b)

B. The DUR program is designed to educate physicians and pharmacists to identify and reduce the frequency of patterns of fraud, abuse, gross overuse, or inappropriate or medically unnecessary care among physicians, pharmacists, and patients or associated with specific drugs as well as:

- Potential and actual adverse drug reactions
- Therapeutic appropriateness
- Overutilization and underutilization
- Appropriate use of generic products
- Therapeutic duplication
- Drug disease contraindications
- Drug-drug interactions
- Incorrect drug dosage or duration of drug treatment
- Drug-allergy interactions
- Clinical abuse/misuse

1927(g)(1)(B)  
42 CFR 456.703  
(d) and (f)

C. The DUR program shall assess data use against predetermined standards whose source materials for their development are consistent with peer-reviewed medical literature which has been critically reviewed by unbiased independent experts and the following compendia:

- American Hospital Formulary Service Drug Information
- United States Pharmacopoeia-Drug Information
- American Medical Association Drug Evaluations

**4.35 Remedies for Skilled Nursing and Intermediate Care Facilities that Do Not Meet Requirements of Participation**

1919(h)(1)  
and (2)  
of the Act,  
P.L. 100-203  
(Sec. 4213(a))

(a) The Medicaid agency meets the requirements of section 1919(h)(2)(A) through (D) of the Act concerning remedies for skilled nursing and intermediate care facilities that do not meet one or more requirements of participation. ATTACHMENT 4.35-A describes the criteria for applying the remedies specified in section 1919(h)(2)(A)(i) through (iv) of the Act.

Not applicable to intermediate care facilities; these services are not furnished under this plan.

(b) The agency uses the following remedy(ies):

- (1) Denial of payment for new admissions.
- (2) Civil money penalty.
- (3) Appointment of temporary management.
- (4) In emergency cases, closure of the facility and/or transfer of residents.

1919(h)(2)(B)(ii)  
of the Act

(c) The agency establishes alternative State remedies to the specified Federal remedies (except for termination of participation). ATTACHMENT 4.35-B describes these alternative remedies and specifies the basis for their use.

1919(h)(2)(F)  
of the Act

(d) The agency uses one of the following incentive programs to reward skilled nursing or intermediate care facilities that furnish the highest quality care to Medicaid residents:

- (1) Public recognition.
- (2) Incentive payments.

- (a) The Medicaid agency meets the requirements regarding establishment of policies and procedures for the education of employees of entities covered by section 1902(a)(68) of the Social Security Act (the Act) regarding false claims recoveries and methodologies for oversight of entities' compliance with these requirements.

## (1) Definitions:

- (A) An "entity" includes a governmental agency, organization, unit, corporation, partnership, or other business arrangement partnership, or other business arrangement (including any Medicaid managed care organization, irrespective of the form of business structure or arrangement by which it exists), whether for-profit or not-for-profit, which receives or makes payments, under a State Plan approved under title XIX or under any waiver of such plan, totaling at least \$5,000,000 annually.

If an entity furnishes items or services at more than a single location or under more than one contractual or other payment arrangement, the provisions of section 1902(a)(68) apply if the aggregate payments to that entity meet the \$5,000,000 annual threshold. This applies whether the entity submits claims for payments using one or more provider identification or tax identification numbers.

A governmental component providing Medicaid health care items or services for which Medicaid payments are made would qualify as an "entity" (e.g., a state mental

health facility or school district providing school-based health services). A government agency which merely administers the Medicaid program, in whole or part (e.g., managing the claims processing system or determining beneficiary eligibility), is not, for these purposes, considered to be an entity.

An entity will have met the \$5,000,000 annual threshold as of January 1, 2007, if it received or made payments in that amount in Federal fiscal year 2006. Future determinations regarding an entity's responsibility stemming from the requirements of section 1902(a)(68) will be made by January 1 of each subsequent year, based upon the amount of payments an entity either received or made under the State Plan during the preceding Federal fiscal year.

- (B) An "employee" includes any officer or employee of the entity.
- (C) A "contractor" or "agent" includes any contractor, subcontractor, agent, or other person which or who, on behalf of the entity, furnishes, or otherwise authorizes the furnishing of, Medicaid health care items or services, performs billing or coding functions, or is involved in the monitoring of health care provided by the entity.
- (2) The entity must establish and disseminate written policies which must also be adopted by its contractors or agents. Written policies may be on paper or in electronic form, but must be readily available to all employees, contractors, or agents. The entity need not create an employee handbook if none already exists.

Management Information System (HPMMIS) when it is received from DCCA.

Providers who have not updated their licenses are pending in HPMMIS and recoupment initiated for claims paid during the period between the expiration of the license and the processing of the DCCA file. The pend period is the last day of their previous active license through either the submission of a hard copy of their license for manual input into HPMMIS or the receipt of the subsequent electronic file from DCCA, whichever occurs earlier. Providers with inactive licenses are unable to submit claims for dates of services occurring after the pended date in HPMMIS.

42 CFR 455.414

REVALIDATION OF ENROLLMENT

- Assures that providers will be revalidated regardless of provider type at least every 5 years.

The State shall rely upon revalidation credentialing performed by Medicare, other State Medicaid agencies, Children Health Insurance Programs of other States or MCOs contracted by the State for Fee-For-Service (FFS) ordering and referring providers. The State shall assure revalidation of Fee-For-Service (FFS) providers not otherwise credentialed.

42 CFR 455.416

TERMINATION OR DENIAL OF ENROLLMENT

- Assure that the State Medicaid agency will comply with section 1902(a)(39) of the Act and with the requirements outlined in 42 CFR 455.416 for all terminations or denials of provider enrollment.

Section 1902(a)(41)(B)(i) of the Social Security Act

- The State has established a program under which it will contract with one or more recovery audit contractors (RACs) for the purpose of identifying underpayments and overpayments of Medicaid claims under the State plan and under any waiver of the State plan.

The State received an exemption approval from CMS for SPA 19-0004 on October 29, 2019. The contract with will expire on June 30, 2022. The new contract with Myers & Stauffer will begin on July 1, 2022 and end on June 30<sup>th</sup> 2023. Hawaii will utilize a contingency fee of 17.5% for all identified overpayments or underpayments for all claim types reviewed during the contract period.

- Exemptions:

The State is asking for an approximated .10 FTE Medical Director or Medical Profession. The vendor will establish a network of licensed medical professionals to perform Medical Director duties as defined this regulation. The exception to the Medical Director will allow the contingency fee to remain below the highest rate paid to Medicare RACs.

- The State is seeking an exception to establishing such program for the following reasons:
