DA BUX continues to restrict shoppers to one discount per day per SNAP-EBT card, and retailers may set discount limits on specific produce items.

How To Use Your DA BUX Access Card

Step 1: Shop for Qualifying Items

Your DA BUX Access Card will only work at a participating DA BUX grocery store. On Maui, the participating grocery stores are Foodland (**Kehalani and Pukalani store locations only**) and Times Supermarkets (**all store locations**). Shop for qualifying fruits and vegetables grown in Hawai'i at these locations. Qualifying items are marked with the DA BUX logo on or near the price signage.

Step 2: Give Your DA BUX Access Card and SNAP-EBT Card To The Cashier

At the start of checkout, **BEFORE** your items are scanned, please give your DA BUX Access Card and SNAP-EBT card to the cashier.

Step 3: Cashier Scans DA BUX Access Card

The cashier scans your DA BUX Access Card to take 50% off qualifying purchases (only one discount can be issued per day per SNAP-EBT card and can only be applied at the time of your qualifying purchase).

Step 4: Swipe SNAP-EBT Card

Swipe your SNAP-EBT card to pay for your purchases (a minimum of 1 cent of SNAP-EBT must be used to receive a discount; other payment methods can be used to pay for the remaining balance).

DA BUX is a program of The Food Basket in partnership with the Hawai'i Good Food Alliance.
