

NAME: Sylvia Romm (she/her)

ISLAND: O'ahu

BIO: Dr. Sylvia Romm, MD is a cisgender queer pediatrician and health equity leader based on O'ahu. She cares for LGBTQ+ youth and is trained in gender-affirming pediatric care. She also serves on the Stanford G-ECHO Gender Journeys Day Executive Committee, supporting clinician education and best practices in caring for transgender and gender-diverse youth.

PRIORITIES: As someone with family members who are gender expansive, Dr. Romm brings both professional and personal commitment to building safer, more affirming systems in Hawai'i. If appointed, she hopes to focus on improving access to affirming care, supporting LGBTQ+ youth wellbeing, and helping ensure community voice leads to meaningful action.
